

## How do I print the calendar?

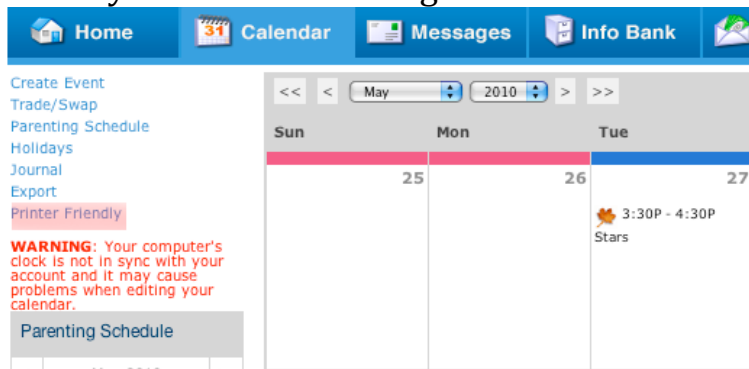

To print the calendar you must first select the calendar tab from the navigation header.

1. Select the month and year you wish to print using the drop down menus or the navigation arrows.

2. Once you have the month you wish to print, select “printer friendly” from the left margin of the screen.

3. At the top of this screen you will see “print this page”. Select it to print.
