

Court Order/Stipulation Wording for Reintegration Therapy

1. Dr. Gahr will assess the family situation as to the appropriateness and feasibility of family reintegration, specifically between Father/Mother (name) and child/ren (name(s)/DOB). If deemed appropriate and feasible, she will initiate the process. If not, she will contact the GAL with this determination.
2. The cost of this process is \$200/hour and shall be shared equally by both parties unless another arrangement is agreed upon in advance. Dr. Gahr will not bill insurance.
3. The pace of reintegration will be determined by Dr. Gahr.
4. Reintegration may require that family members engage in services of individual therapists and/or a co-parenting communication counselor.
5. Dr. Gahr will require access to all therapists and relevant collateral sources of information via signed releases of information.
6. Dr. Gahr will not be asked to testify in a court of law, nor will her records be subject to subpoena, regarding her work with this family.
7. Both parents shall follow all recommendations put forth by Dr. Gahr.
8. The favored parent (Father/Mother's name), supports the reintegration process, will not undermine or interfere with the process, and will remain an active participant in the process.
9. Dr. Gahr will regularly communicate with the GAL. She will not speak, individually, to either party's attorney once the process begins.
10. Dr. Gahr will utilize a team approach to therapy, and as such, will regularly communicate with other mental health providers who are also working with the family.
